RE: Traffic Access to Bridgeland High School and Wells Elementary School

Dear Parents and Staff,

With the opening of Bridgeland High School and Wells Elementary, we have received multiple questions referencing how everyone will access the schools. Attached are two maps that may help you determine your route from either Fry Road or SH-99 North to Mason Road in order to access either school. When looking at the maps, you will see that Bridgeland Creek Parkway between House Hahl Rd. and Bridgeland High School Dr. is not complete. It is not scheduled to open until mid-September. In an effort to provide a safe and convenient route for all, we have worked with the Developer of Bridgeland to maintain the Temporary Access Road, north of Bridgeland High School, open for those exiting from SH-99 North.

Following are the travel directions:

SH-99 North (Toll Road): Travelling south bound on SH-99 North, exit Bridgeland Creek Parkway. Turn left onto Bridgeland Creek Parkway. Then turn right onto House Hahl Rd. Continue down House Hahl Rd. to the Temporary Access Road (dirt road). Turn left onto the Temporary Access Road (dirt road). At the end of the Temporary Access road you will need to take the turnabout. **NO DIRECT ACCESS TO THE SCHOOL IS AVAILABLE.** Go north on Bridgeland High School Dr. Continue on Bridgeland High School Dr. to Bridgeland Creek Parkway. Turn right on Bridgeland Creek Parkway. Turn right on Mason Rd.

Fry Road: Travelling south bound on Fry Rd., turn right onto Bridgeland Creek Parkway. Continue on Bridgeland Creek Parkway to Mason Rd. Turn left on Mason Rd.

Once you are on Mason Road: To enter **Bridgeland High School**, go past Houston's First Baptist Church. The first entry on your right will be for staff and student drivers only. The second entry on the right, will be for parent drop off. When you make this right hand turn, take an immediate right for the parent drop off.

To enter **Wells Elementary School**, go past Houston's First Baptist Church and Bridgeland High School. At the end of the road you will turn right. The first drive on the right will be for parent drop off. The staff will continue to the second drive on the right.

Additional directional signage will be on site. CFISD Police will also be on site to help you navigate.

Welcome back and have a great year!

Sincerely,
CFISD Facilities & Construction Team
