

# EOC ENG II Writing Prompt Field Test

## Monday, February 11

Our *10<sup>th</sup>* graders have been chosen to take the state mandated EOC ENG II Writing Prompt Field Test. *Sophomores*, you may bring a water bottle and dry snack. Remember to dress in layers.

Due to the nature of STAAR/EOC, we must maintain a secure and optimum testing environment throughout the testing day. *Bear with us because testing days run differently.* **All early-release, visitors and deliveries will resume after the state-allotted time for testing has expired.** *The state provides five hours for the ENG II Field Test EOC.* Thank you for honoring the testing process. It takes a community, and we truly appreciate your support.
